

THE COST OF THE SCHOOL DAY

TAYSIDE PROFESSIONAL LEARNING SESSIONS

Practitioners working in Dundee, Angus and Perth and Kinross schools are invited to take part in two twilight sessions this Autumn, focusing on child poverty and good practice in tackling the cost of the school day in Tayside.

ALMOST 1 IN 4

children across Tayside are living on low incomes. Poverty awareness and action at school is key to overcoming financial barriers and supporting all children to learn, participate and thrive.

Sessions will be led by the Cost of the School Day team at Child Poverty Action Group in Scotland alongside inputs from a range of schools in each local authority, Education Scotland Attainment Advisors and local Education Officers.

Content of sessions

- Up to date information on child poverty, including Covid-19 impact
- Cost of the School Day learning from local SAC reports
- Inputs from primary and secondary schools across Tayside showcasing Cost of the School activities and their impact
- Practical ideas and helpful resources, including the Cost of the School Day Toolkit and Talking about Costs and Money at School
- Professional discussion with colleagues across the region on challenges and solutions in your schools.

Dates and times

Each session is different and we encourage you to attend both.
