# Leading Change in Numeracy and Mathematics

A series of professional learning sessions aimed at those leading change in Numeracy and Mathematics. These sessions will focus on key themes such as;

**the best use of numeracy data, planning for improvement and ways to increasing engagement and motivation.**

The sessions will take place virtually 4:00 - 5:30pm on:

**Session 1 - Wednesday 28th January 2026**

**Session 2 - Wednesday 25<sup>th</sup> February 2026**

**Session 3 - Wednesday 25th March 2026**

## **Previous participants said:**

"I have found this course very thought provoking and it has given me useful tools to make a more robust start to delivering improvement change."

"I have found the webinars useful in furthering my understanding of how to identify and implement changes needed in primary school numeracy and they have been really useful in actually identifying ways to do this."

"I found it very beneficial to discuss thoughts with other practitioners"

"This course has been so useful to take part in, speak with others and get useful guidance and documentation to help with improvement. It made it much less lonely overall."

**Sign up for the series: Via Local Authority Learning Hub**
